## Survey Dates

Based on Nursing Home Compare - Survey Dates

The diagram illustrates a 16x2 grid of squares. The left column contains 16 squares, and the right column contains 16 squares. The squares are arranged in pairs of two rows, with the top square of each pair being light blue and the bottom square being light gray. The squares are numbered 1 through 32, starting from the top left and moving down the left column, then up the right column, and finally down the right column.

## Survey Dates

Based on Nursing Home Compare - Survey Dates

The diagram illustrates a 16x2 grid of squares. The left column contains 16 squares, and the right column contains 16 squares. The squares are arranged in pairs of two rows, with the top square of each pair being light blue and the bottom square being light gray. The squares are numbered 1 through 32, starting from the top left and moving down the left column, then up the right column, and finally down the right column.
